Who is Trout, James & Associates?

Trout, James & Associates is one of the fastest growing and well-respected CPA firms in Montgomery County. With over 35 years of experience in the industry, we represent a diversified clientele in an array of industries, including real estate, financial services, technology, retail distribution and food services. We provide a wide variety of professional services including but not limited to, business strategic planning and consulting, business tax planning and preparation, individual tax planning and preparation, financial statement preparation, forensic and litigation support services, personal financial and estate planning, and QuickBooks professional advisory services.

At Trout, James & Associates we realize that we are rewarded only to the extent to which we add value to those we are privileged to serve. Therefore, our mission is to help our clients and ourselves achieve more than we ever thought possible and have fun doing it.

Why become a Senior Staff Accountant at Trout, James & Associates?

As a Senior Staff Accountant at Trout, James & Associates, your primary responsibilities will consist of tax consulting and tax return preparation duties, including tax research, tax planning, and the preparation of supporting work papers. Additionally, you will assist in developing business consulting strategies and the preparation of financial statements. You will work with a variety of entities such as corporations, partnerships, estates, trusts, and

individuals. Additional job responsibilities will include, but will not be limited to, the following:

- Identifying and resolving tax issues, while assisting in the review of tax preparation
- Researching various tax issues, while also providing support to staff members
- Maintaining strong client rapport and ability to discuss business planning strategies

Qualifications:

- Bachelor's or Master's degree in Accounting/Finance/Management
- 2-4 years recent public accounting experience
- Licensed CPA/Actively pursuing CPA licensure
- The willingness and ability to work extended hours during tax season

Skill Requirements:

- Excellent analytical, communication (written and verbal), and interpersonal skills
- Strong technical aptitude and business acumen
- Demonstrate project and time management abilities
- Proficiency in MS Excel and MS Word

Training:

Trout, James & Associates provides in-office training programs related to an individual's job responsibilities. We are committed to ongoing professional development and we encourage individuals to attend outside training seminars, in conjunction with periodic firm trainings.

Benefits:

Trout, James & Associates offers an outstanding opportunity for career growth and development, a competitive compensation and incentive program, and a flexible work environment that offers individual enrichment opportunities in a team environment. Specific benefits such as retirement planning and healthcare will be discussed during the interview.
